STEP TO UPLOAD BLDT_BLFR IN CIDOS 3.5

By Ng B. D. (JTMK PKS)

Important Notes

- BLDT_BLFR has to be uploaded accordance to the group created in the course.

- Example: In DFT4024 Object Oriented Programming Course, there are 2 groups created, thus, the BLDT_BLFR has to be uploaded twice, one for each group.

Step 1: Click on "Dashboard" under list of Online System's menu.
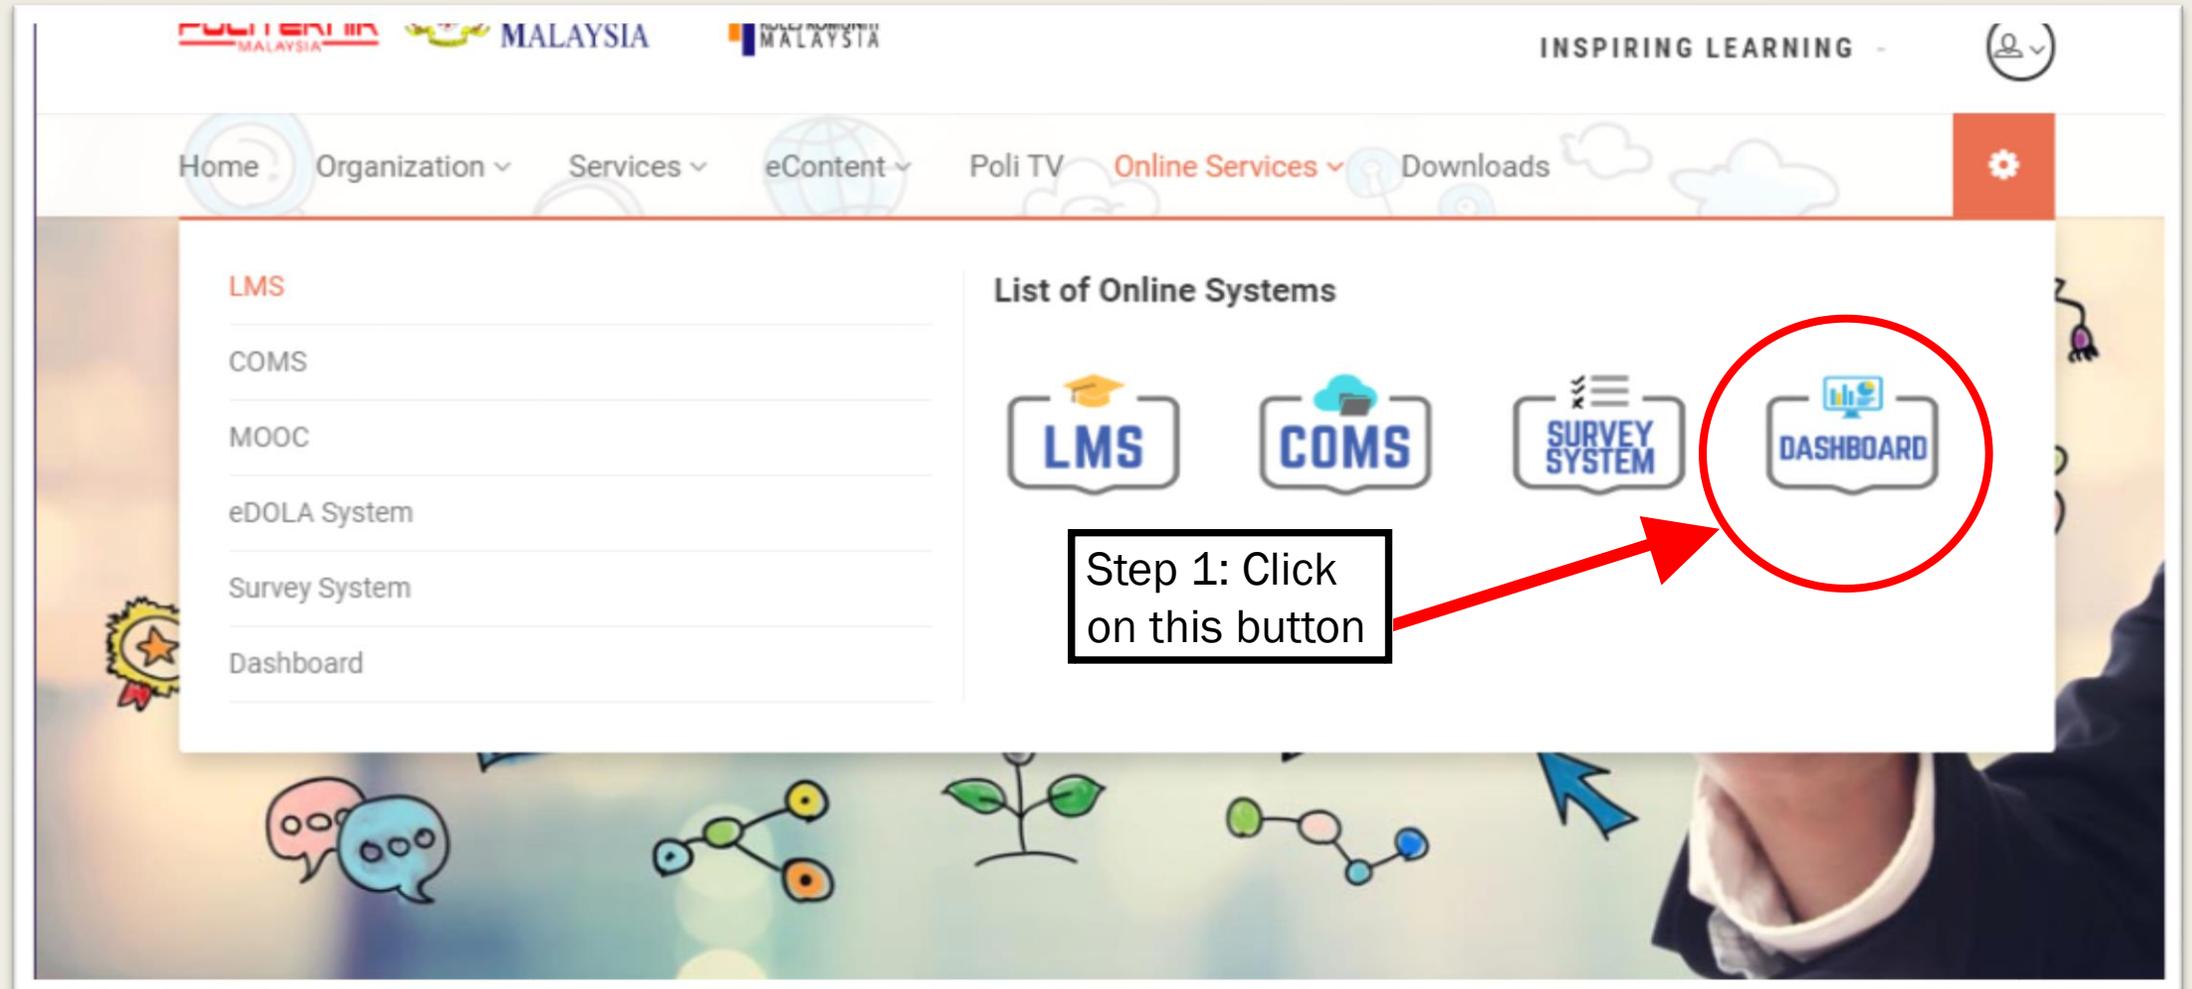

Step 2: In Dashboard Screen, click on Blended Learning Upload
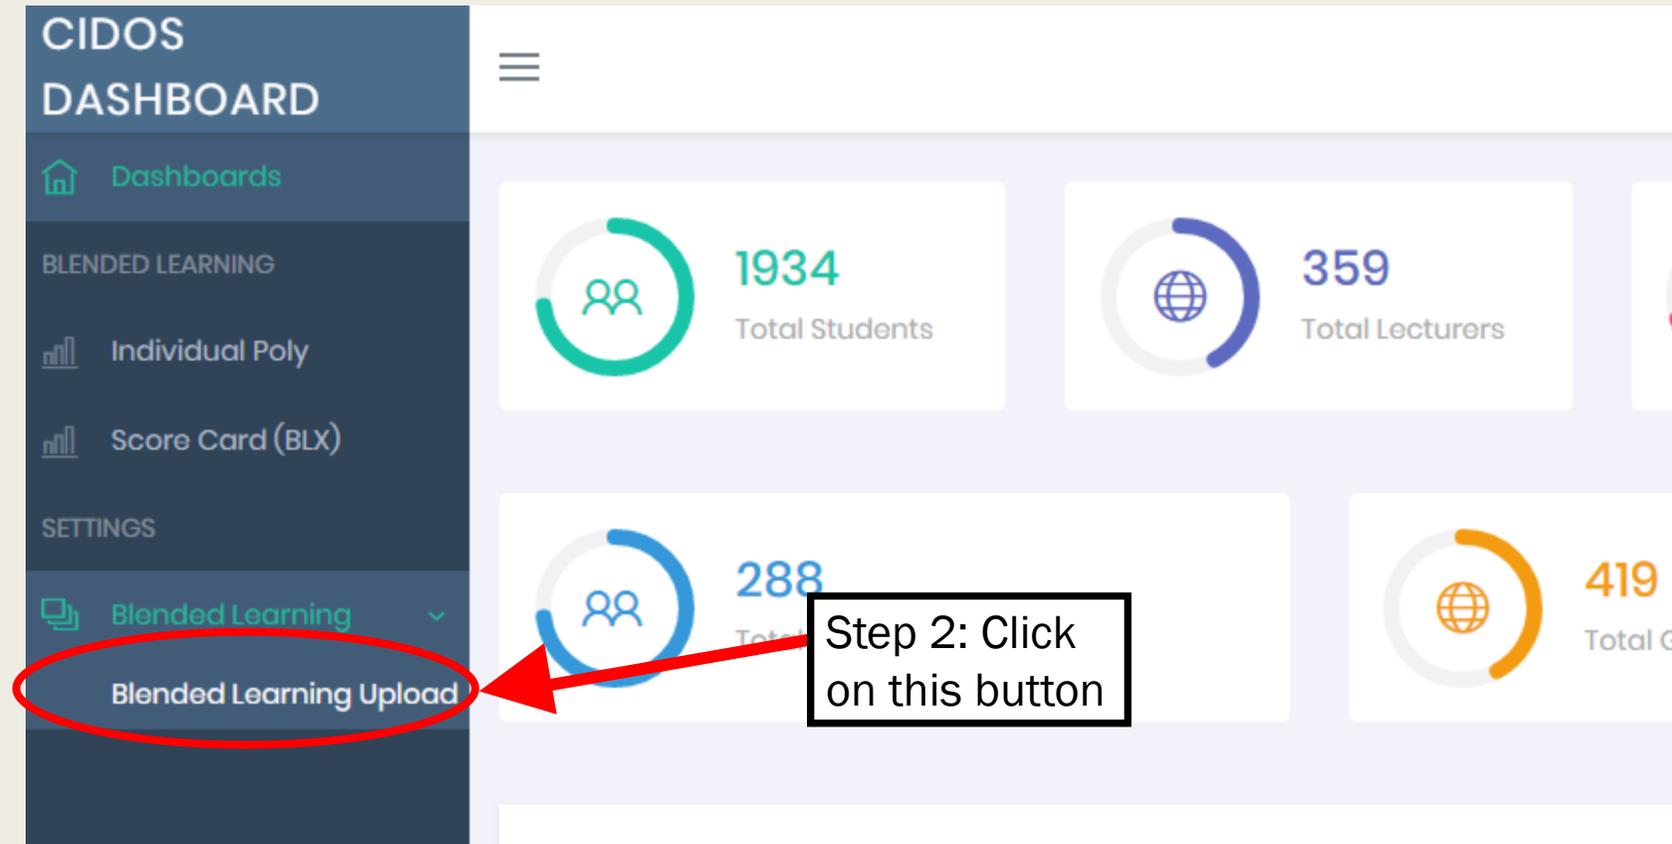

Step 3: Click on "Add" Button
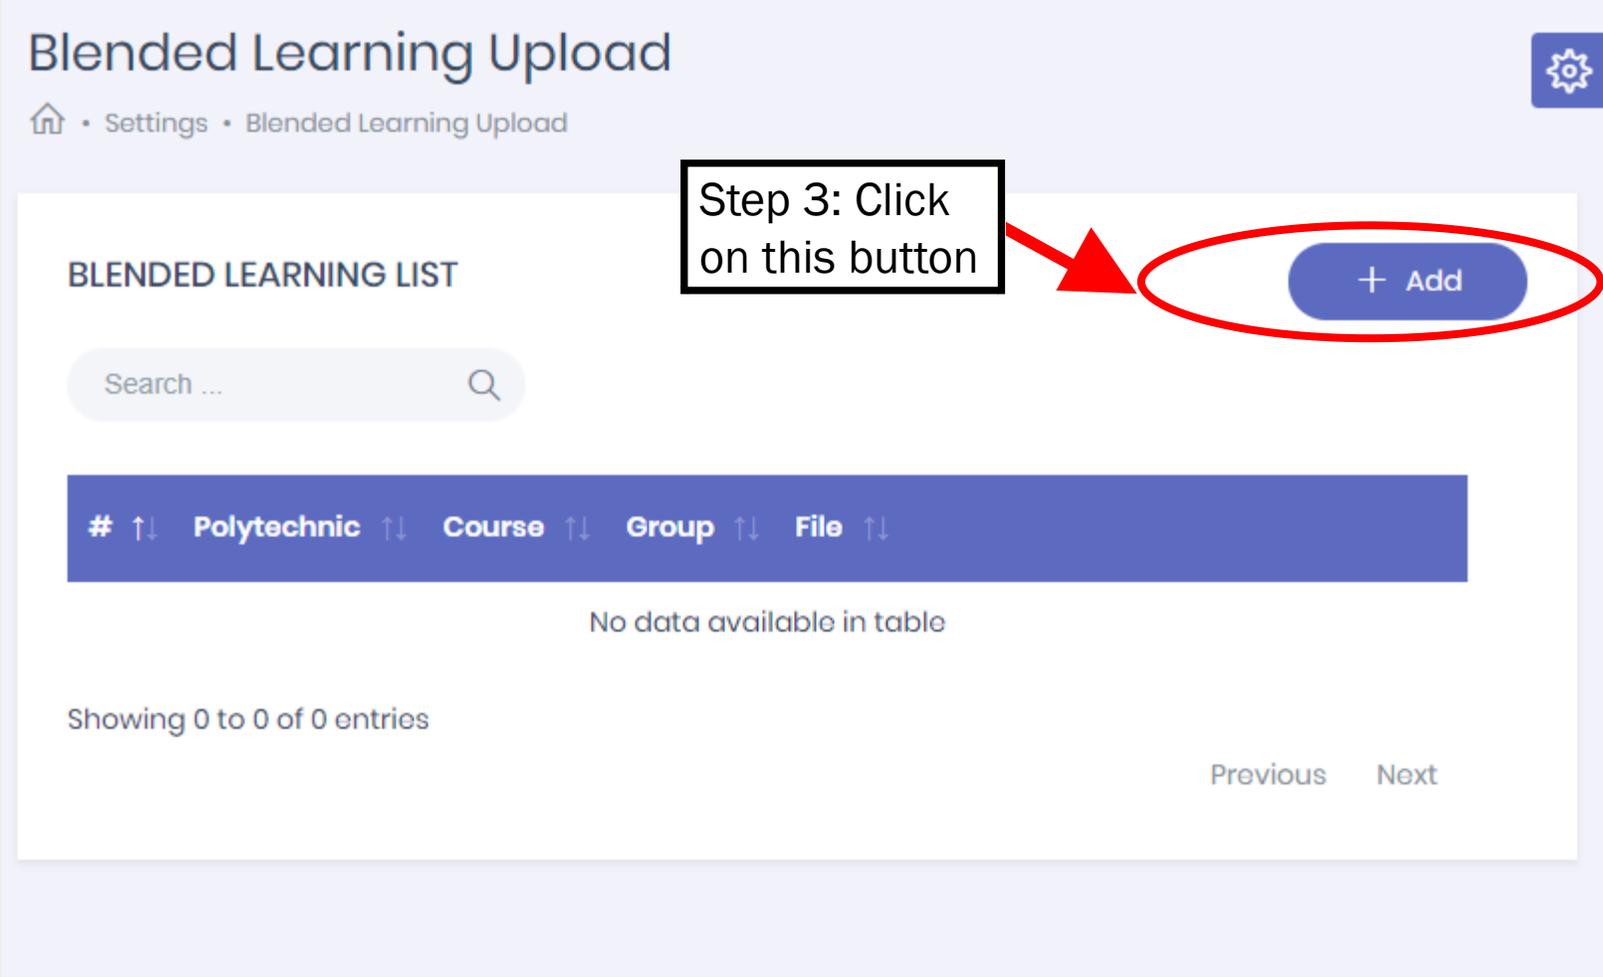

Step 4: Upload BLDT_BLFR Document (Repeat this step if you need to upload for more than one group)
