

ENVIRONMENTAL MANAGEMENT SYSTEM POLICY

POLITEKNIK KUCHING SARAWAK

Polytechnic Kuching Sarawak is committed to develop an efficient environmental management system through MS ISO 14001: 2015,

- a) Compliance with laws, regulations and other statutory requirements in relation to the environment particularly on prevention of pollution by minimizing emission and effluent to air, water and land;
- b) Minimizing waste generation with environment friendly disposal and recycle;
- c) Re-assessment and periodic review of the policies, objectives and goals for continually improving environmental performance;
- d) Educate, train and motivate employees to carry out tasks in an environmentally responsible manner;
- e) Encourage environmental protection among suppliers and subcontractors.

Polytechnic Kuching Sarawak will pursue continual improvement of environmental performance. This Policy will be communicated to all staff, contractors and suppliers, and be available for the public.

JAMALIAH BT AHMAD
Director
